

## AOP Assignment 1 – Research a Company

### Instructions:

- Select a business to research. It can be one which you are somewhat familiar with, such as a local company, or a large, nationally known company. You should talk to employees, read newspaper or magazine articles, or search the internet to find information about the company.
  
- Create a short report that gives the following information:
  - Company Name
  - Structure (Partnership, Corporation, etc.)
  - Main company location (s)
  - Primary products or services offered
  - Corporate culture (Values, mission statement, causes supported or other information) from About Us, History, or similar pages of the company website.
  
- Indicate in your conclusion whether you wish to be employed by this company and why or why not.
  
- Save as “Student Name – Company Research” and email to your instructor.
